Motzoid India - An Film Production Company

Leicester, England May 2, 2022 (Issuewire.com) - Motzoid India formerly known as Motzoid is an Indian Film Production Company Founded by Dhumik Pravin on 29 December 2021 and is based in Leicester, United Kingdom. it is known for its animated film which is normally based on Indian history because the company wants children to learn the culture and history of India, especially the Mahabharata and the Ramayana. the company has focused on the history of India rather than entertainment in their film and movies. They have produced films such as Prabhu Shri ram, Ramayan, and Bharat Aur Angrez. Mahabharat 2 was produced by DP Live Music Production but however the

company closed in 2021 and Motzoid was formed, Motzoid took over copyright for Mahabharat 2 however the company has not claimed that the film is produced by them and not DP Live Music Production.
